P10

This diagram shows an exploded view of a mechanical assembly. The components are numbered as follows:

- 2**: A large cylindrical component, likely a motor or actuator, shown in a separate exploded view on the right.
- 3**: A rectangular block or housing component.
- 4**: A smaller rectangular component, possibly a sensor or control unit.
- 5**: A small cylindrical pin or fastener.
- 6**: A small cylindrical pin or fastener.
- 7**: A small cylindrical pin or fastener.
- 8**: A curved, flexible component, possibly a hose or cable.
- 9**: A curved, flexible component, possibly a hose or cable.
- 10**: A complex mechanical assembly, possibly a valve or actuator.
- 11**: A small cylindrical pin or fastener.
- 12**: A small cylindrical pin or fastener.

The diagram illustrates the assembly sequence and relative positions of these components. A detailed view of the motor/actuator (2) is provided on the right side of the image.
